Dear Sir.*

*Our Sunday
School this year has decided to
make contributions every week
to help sustain some Mission.
And it was left to the children to
say whether we should send the
money contributed to a Home
or Foreign Mission. And it was
decided by them to send it to
a Home Mission. And I have
been instructed to send it to
you. I trust you will find*

a gift for the amount of our
contributions up to date, twenty
pounds & 5³/₁₀₀ shillings (22, 5³/₁₀₀). We
hope to be able to send you
at least 10.00 every month
during the year. We have
promised the children a letter
from you telling them what
will be done with the money.
So hope that you will write to
us.

With best wishes

Very truly Yours

Dear Sir

Permit me to suggest
an inquiry for your kind con-
sideration. The Ladies' Missionary
Societies in N. Y. and Chicago, have
been organized with a view to
aid both Home and Foreign
Missions. It is believed that
educated Christian women can
be useful as teachers and
missionaries in our own country
as well as in foreign lands. If
the salary of a Christian teacher

with outfit and traveling expenses
can be paid by one of these
Societies, it is hoped that open-
ings for usefulness may be
presented in the neighborhoods of
new chhs. in the Southern and
Western States and Territories.

There are many Christian ladies
asking for opportunities to work
for the Master, and these new
organizations are happily adapted
to act as means of communication
between the unemployed, and the
fields needing their labors. Also
to provide funds for their support.
Of course great care would have
to be exercised in selecting and
sending individuals, but in this
particular, as well as in others,
surely the Lord will direct. Th-

experience of some of the Officers of these Societies would be useful as they have aided in selecting and sending individuals to Foreign fields for some time past.

Thinking that you may know of places in which such teachers and assistant missionaries could be very useful in connection with western chhs. I ask your attention to the subject.

Probably you are aware that the N. Y. Soc. aided in sending Miss Mallory, and I think also Miss Gaston, who are now laboring in New Mexico.

Sometime when you have leisure I would like to have you write and send your views on this subject, in such form that

they can be used for the advantage of the cause.

Mrs. Graham and Mrs. Holden of N. Y. and Mrs. Martin, who resides near Auburn N. Y. are much interested in the work of aiding in the work of Home as well as Foreign Missions.

yours in Christ's service

Dear Sir

Excuse

my neglect in not answering
your letter before this.

I handed it to several
leading members of our
Church to get their opinion
as to our ability to raise
the amount called
for just now & it has
not been returned to me
so I write without it.

My own judgement is
confirmed by that of
every one with whom
I have consulted

that we can do nothing
at present, but that
perhaps some more at
almost any other time
we might have responded
affirmatively, but just now
we have raised about
\$2,000 for the Memorial
fund & to undertake the
renovation of our tower
through building a new
outlay of about \$15,000.
Some of our people are
interested in the "Turkey
Mission" which requires
an expenditure of an outlay
of about \$2,000. Besides
our own city, churches
need help & we must
be careful to make it
now well up & then
expect some to get into
the basement & to see

They shall have to wait
until they can find
money to finish the
upper part of it -- the part
which had been repaired
& is in debt some \$200
& from which for our
share we are poor.
I have had a similar
letter from Rev. M. J. Brown
& shall have to make
a like response.

I would be very much
interested to see a
Carter Memorial Co.
erected in Georgetown
or any other important
place in the West &
I think our people
would be interested
in it also but for
the present it seems to
be done by us.

Nothing like it a poor
place to get much money
for such projects. We
are not a wealthy people
~~being~~ living largely on
salaries, only a few with
liberal incomes who recognize
their stewardship.

I want to have to write
you such a long letter
with sincere sympathy
for the good work you
are doing. Prayers for
the blessing of the Master
upon you.

Sincerely
Wm. Hallam

money on the order.

This money is the result of a
collection taken in the Sabbath School
of the First Pres. Church of this city
last Sunday morning in response to
your call for help to build the

"Stuart Pres. Church" of Denver - t.
dated Feb. 18. / 71. and the following
persons contributed \$5- or more & are
therefore entitled to and would like the
certificate spoken of in your said
letter - viz - Mrs. H. Townsend \$5.

the infant dept. gave \$7.11 -

I am most happy in being the in-
strument under God of helping forward
such a noble work, and assure
that church of my sympathy & best
wishes in ^{their efforts for} the furtherance of God's
Kingdom in the far west - in which
I know I am only speaking the
sentiment of the school over which I
have been recently called to preside - the

Please acknowledge receipt of
the order E. M. B.

Yours very Truly

He is a very good man - a
good character, which was
quite encouraging. It seemed
to increase his faith for he seems
in good spirits, and was out-
rigger to-day. The Sabbath-
school I took turned out well.
In the afternoon I went to Mr
Adams, He observed a Sabbath-
School last Sabbath - and a
very good one it was.

Our Anti-Slavery Societies
from Canton City - are all having
weekly meetings for a week
every evening. Let your people
be present. They have gone
to the meeting for a week on
the Sabbath, and are
so anxious to assist them
and have "a real old fashioned
meeting service".

However he did not do so,
but preached in the School house

The Sabbath then he is preaching
in the Methodist Church. I
do not lose one of our Meetings
soon, Mrs Garrison is to move
to the country the first of October.
Mr. Adams is going to build a
new house for our school. He has
a small house, but he is well
now that he has for a long
time, I should like to
see it. It is at the corner of the
street. I am sure you will like it.
I am sure you will like it.

Your welcome letter
of the 18th inst. containing a letter and check
for \$25 from George & Mary of Phila. Pa. for
our Mission School enterprise.
I need not say to you how acceptable the
letter and its contents are, especially
the contents. Please accept my sincere
thanks for your kindness in this matter.
I feel assured that it is owing to your
interest in us, and especially for Christ's
cause in this place, that this kind
and much needed favor, comes to us.

We receive it as coming from the Lord
just when we most needed it to enable us to
do his work.

Dear brethren

At a Congregational meeting held here on the 19th inst., a call was given to Bro Geo Rice to serve us as a minister here for another year. & time we believe that a man of a family can not support the same & devote his whole time to the cause of Christ, with a salary less than (\$1,200⁰⁰/₁₀₀) twelve hundred dollars a year. Of that sum we passed a vote to raise (\$300⁰⁰/₁₀₀) in this place, which we think, with great effort we will be able to raise by the close of his ministerial year. I am sorry

cation for aid to the Board
would make the following
statements.

(a) The minister to be com-
missioned - Geo. J. Adams.

(b) Number of communicants, 4.

Average attendance on
public worship, 45.

(c) There are 3 other denom-
inations represented in Pueblo
Episcopal, M. E. & Baptist.

These are all small, The last two have no constant supply at present.

(d) The condition of business in Pueblo is very active. Pueblo is, & will be the financial centre of southern Colorado.

The population will doubtless increase 50 or 100 per cent. during the year 1871.

The population is generally irreligious, tho' the regular attendance of all the churches has largely increased during the past 6 months. The present population is 1000

(2) The people on the field
can raise about \$250.00.
No aid is expected from

Dear Sir

I handed your appeal to Pastor & Supt. as soon as rec^d - but no action was taken at the time as the Foreign Mission. over before the School & ~~this month~~ we are to send \$100 to the Protestant Mission and the same sum to China -

Last Sabbath they voted to send you \$50 - next month I wish it was double but we have so many calls I suppose they felt it was all we could do. Our School is in a flourishing state and the union of the Churches has proved a happy one -

Aunt writes with me in kind regards to Mrs. Jackson & yourself -

purchased a new Library at a cost of

always sought to have the school give

& instead of asking them to vote / 50
I asked, how many classes would vote
in this church & they left it -
Last Sabbath morning as I stepped

Rev. Sheldon Jackson,

I purposed writing to you
some days since, but delayed
that I might enclose the
small sum of seventeen dollars
and thirty cents (\$17.30) from the
Infant Class of the 1st Pres-
Ch. Church, N.Y.

You allude to father. The pastor
and laid it aside for further
consideration, but he was soon
called to higher service and
worship. It pleased God to make
his going home very easy, and
to crown his beautiful life with
a peaceful death. It was a
translation, one day mingling
earthly cares, enjoying

jolly the devotion of his Church
and family, the neph. in his
Eternal Home. It was fitting
that on the day of all days
to him, at the hour when
he was accustomed to meet
his people here he should
be parted from them and
taken to ~~his~~ Heaven. "A life
bowed to ~~death~~ death full
of this. For the friend so beloved
Could we ask more than this."

He has gone to receive his Crown.
He is now - the spirits of the just made
perfect. And while the first cry of
bereavement burst from our stricken
hearts, his joyful, released, glorified
spirit joined the general assembly &
church of the first ^{born}, where they shall

go out no more forever. At such a
time when God comes so near, only Jesus
can comfort. That same Jesus who
comforted Mary & Martha, and to whom
the disciples went and told of the death
of Jesus.

I thank you very much for your
remembrance by letter and in your
prayer. It remains for us to be
more active in service and labor.

I should like to have aided in
your Memorial Church at Dover,
but just at this time I could not
ask for the amount desirable.

Appropriate the money I enclose
as you deem best; And for the
sake of encouraging the children to
do now let us receive as before
a letter in acknowledgment.

How are you succeeding in
your work, while the Romanists
have all the funds they ask for

Our Boards are in need; and the
great enterprises of the day
enrich. So much of the
five million fund will be
expended for home enterprises,
that our Western Churches may
suffer. I wish we could ^{induce} ~~persuade~~
the Christian Council to give more
liberally. As I have a sister Mrs
Edley at Bidon, Nova, my heart
would be divided between Home &
Foreign interests, though the
former is dearer. Our ladies have
just received a letter from Mrs
Brown of Elk, Canada, in
remembrance of a box sent them.

Dear Brother Jackson

I was very glad to receive the photograph of the church at Corinne, I shall always keep it to remind me of old times. Accept my hearty thanks for this token of your kind remembrance of me,

Our prospects here are much more encouraging than they were a year ago, our membership has increased to 23, and now the building is nearly done, we expect to dedicate it in about 3 or 4 weeks,

I trust you will also see a notice of the church at Aoven being dedicated in a couple of months, for we not

moving as rapidly then as
I would like, but still we have
succeeded beyond my highest
expectations, The Church is
almost ready for plastering, &
I think we will be free from
doubt when it is finished,

At a Festival there the ladies
cleaned \$130⁰⁰, most of which
they devoted to the purchase of an
organ, They have been pre-
sented with a beautiful & costly
Communion Service, & are
getting along nicely, Carroll
tells me that Mrs. Fitch, a
Methodist lady wrote you some-
thing about our organization
there, stating that we acted in a
loose & irregular manner, which
was not the case, I am
glad to be able to tell you that
we did all things decently & in

Order, & the little flock are
sitting along well,
The ladies here at a Festival
cleared \$150.00, which they will
devote to getting an organ &
furnishing the church. The
plasterers are at work on it
now,

Mrs. Hugley has become quite
attached to the place, & proves
to be a splendid Missionary's
wife, I give her most of the
credit of our success here,

Rev. S. Jackson,

Dear Sir.

In a letter from Rev. W. B. Brown of Denver, Col. directed to our sister, Dr. W. B. Brown, and was solicited in building the 'Stuart church' of that city. The ladies of our "Memorial Society" were much interested in Mr. Brown's letter, which resulted in a unanimous vote for the sum of \$100. to be sent to the Stuart-church. After that meeting, which was held March, 24th, yours of the 28th was received, in which you state, that "you suppose the object of our Society is, to contribute from time to time about \$100. to some place of urgent need," which is the case. You also favor the increase of this amount by \$25. for a small cabinet organ ~~organ~~ melodeon.

for that church. At our next meeting, N/er. 7th a
new vote was taken, but it was unsuccessful in
regard to the organ, or the majority were in favor
of contributing to the church instead. I regret
that it is my duty to inform you of the fact
if it will be any disappointment either to the
Pastor or congregation. Hoping the small
amount may be some benefit to the struggling
ones, and that God may give the heart and
means to others to aid in this good work.

Per & Dear Sir

Your letter and Appeal to the Sabbath School of the Lawrenceville Presbyterian^{Church} Pittsburgh, Pa, in behalf of the Denver Presbyterian Church, was no sooner read to our School than a determination to respond was manifest.

A teachers meeting was held & without opposition it was promptly decided to contribute the sum asked of us, with the understanding that it should be applied to the Object specified in your letter, viz "A memorial window" in the Denver Presby Church,

As the proof of our promptness and

Earnestness, herewith please find a Post Office Order for Fifty Dollars.

Every cent of this is precious, & how it was obtained would be interesting to know, but God Knows. We send it forth on its errand, & may the blessing of the Infinite One follow it.

That your Appeal to other Schools may be responded to as cheerfully, as with us; - that encouragement and success may attend all your labors for the Master; that the same future reward you desire us, may also be yours; are the sincere wishes of the

Lawrenceville Presbyterian Sabbath School
Presbytery of Pittsburgh
